**Defendant, Jeffrey E. Epstein's Motion To Compel Plaintiff, Jane Doe #5's  
Independent Medical Examination Pursuant to Rule 35**

Defendant, JEFFREY E. EPSTEIN (hereinafter "Epstein"), by and through his attorneys, and pursuant to Fed. R. Civ. P. 35 and other applicable rules, hereby moves this Court for an order directing that the Plaintiff, Jane Doe #5 (case #80381), submit to a compulsory psychological/psychiatric medical examination (a/k/a independent medical examination) by Ryan Hall, M.D. of Richard Hall, M.D. at the law firm of Burman, Critton, Luttier and Coleman, LLP. located at 303 Banyan Boulevard, Ste. 400, WPB, FL. 33401. In support, Epstein states:

**Background**

1. This Court entered an order relating to the IME of CMA, another Plaintiff seeking similar damages against Epstein. See Exhibit "A" Given the damages claimed in this matter, it is clear that Plaintiff has placed her medical condition at issue

Page 2

and that an IME is required. Despite that fact and the fact that discovery has been consolidated, Defendant is required to file a Rule 35 Motion seeking an IME. Thus, the undersigned believes that an Omnibus Order is required relative to all Plaintiffs' IMEs in that each claim similar damages and raise similar claims. Such an order would conserve judicial resources and require that the attorneys only negotiate dates and times for said IMEs.

2. Nonetheless, this particular Motion, pursuant to Rule 35, only addresses the IME of Jane Doe #5.

3. Plaintiff has alleged in her action that Defendant sexually battered her and, as a result, Plaintiff seeks millions of dollars in personal injury damages for, among other things, "confusion, shame, humiliation, embarrassment, and severe psychological and emotional injuries." See Second Amended Complaint. (DE 60) Plaintiff, Jane Doe #5, also claims Epstein "intentionally inflicted harmful or offensive contact on the person of Jane Doe, creating reasonable fear of imminent peril. . . [and] [a]s a proximate result of Epstein's assault on Jane Doe, she has suffered and will continue to suffer severe and permanent traumatic injuries, including mental, psychological and emotional damages." Id. at ¶¶ 17-21. Jane Doe #5 further alleges that she suffered ". . . mental or sexual injury. . . that caused or were likely to cause Jane Doe's mental or emotional health to be significantly impaired. . . [and]. . . Jane Doe has suffered and will continue to suffer severe mental anguish and pain." Id. at ¶¶ 25-27.

4. In addition, Jane Doe #5 informed her expert, Gilbert Kliman, M.D. that she is a "very depressed person inside" and is always "on edge." She indicates that as a child while in school, girls wanted and/or attempted to put gum in her hair, cut her hair

Page 3

off, and threatened to slit her throat. In fact, in her own words, Jane Doe #5 admits that her depression is caused by a combination of "a lot together...a little bit had to do with Epstein." See Exhibit "B"

5. Prior to any contact with Epstein, Jane Doe #5, while in her young teens, admits to her expert, Dr. Kliman, that her mother told her that she (the mother) was molested by an uncle, raped twice, and caught her father (Jane Doe #5's grandfather) having sex with another man in the basement. She further told her daughter (Jane Doe #5) that her own sisters paid someone to rape her while in school. Jane Doe #5 also described an incident in which she walked in on her mother and step-father having sex and that she was "very upset" and "disgusted" by this event. See Exhibit "C"

6. Also, Jane Doe #5, in her interview with Dr. Kliman, describes her father as being a drug dealer who sold cocaine when she was a child. In fact, as a young child she was found playing with bags of cocaine. At the age of thirteen (13), while living with her father, she described him father as not being affectionate and calling her a "f-ing pig" and a "little slut." Further, Jane Doe #5 details an incident in which her step-father hit her in the head so hard it resulted in a ruptured eardrum and that she subsequently lied to authorities about the abuse. See Exhibit "D"

7. Jane Doe #5 admits to her expert, Dr. Kliman that she became sexually active at the age of twelve or thirteen, taking pain pills without a prescription, smoking marijuana, and being bulimic for a period of time. She also admits to having suicidal thoughts. See Exhibit "E" – all pre-Epstein. See Supra

8. Furthermore, it is important for this court to review the detailed Affidavit of Dr. Hall attached hereto in that it delineates for the Court several experiences visited

Page 4

upon Jane Doe #5 which may have caused the physical, emotional and psychological trauma she claims occurred at the hands of Epstein. See Affidavit of Dr. Hall Attached hereto as **Exhibit "F"**

9. Based upon the foregoing, it is clear that Jane Doe #5 has placed her physical, emotional, medical and psychological conditions at issue. Therefore, an IME is warranted. Without an IME, Epstein would be severely prejudiced. The Affidavit of Dr. Hall clearly sets out the IME and scope of the examination that must be conducted. See also, the curriculum vitae of Dr. Ryan. See **Exhibit "G"** The examination is set to occur at the undersigned office on November 9, 10, 11, 12, or 13, 2009 (whichever is more convenient for Plaintiff or whichever date the court so orders). Plaintiff has not provided dates for the IME; however, out of abundance of caution and to comply with the applicable rule, Defendant has, on a unilateral basis, set same pending the outcome of this Motion. Obviously, if the date noticed is not sufficient or agreeable, the undersigned will renote same for one of the four dates suggested; however, this Court must order same to occur.

10. As this court is well aware, Plaintiff and Defendant are required to complete discovery under the Court's trial schedule. It is not the undersigned's intention to require the court additional work; however, it is imperative that discovery be timely scheduled and completed. The court's assistance is needed in this instance as to the IME.

11. Based upon the foregoing, an IME of Plaintiff must occur in order to address her claims and the damages she seeks to recover. The IME is expected to last between 6-8 hours, and the scope of same is set forth in the Affidavit of Dr. Hall.

Page 5

12. Pursuant to Rule 35, Fed.R.Civ.Pro, a party may move for an examination by a qualified examiner if the Plaintiff's mental/emotional and/or psychological status is at issue in a case.

13. Defendant would be severely prejudiced unless he is able to have an examination conducted by a qualified examiner separate and apart from any psychologist/psychiatrist or similar behavioral health provider who may have or may ultimately see the Plaintiff and testify in court.

14. Defendant's counsel has retained the services of Richard Hall, M.D. and Ryan Hall, M.D., of C.W. Hall, M.D., P.A. located at 2500 West Lake Mary Blvd., #219 Lake Mary, FL 32746. Ryan Hall, M.D., will be performing the examination. Dr. Ryan Halls' specialties include forensic psychiatry, general psychiatry and medical psychiatry. See Exhibit attached outlining Ryan Hall, M.D.'s qualifications and the scope of the examination which he intends and is required to conduct in order to render a report. See also Affidavit of Ryan C.W. Hall, M.D., outlining the scope of examination and other Rule 35 requirements. Accordingly, this motion comports with Rule 35. The applicable notice has been filed simultaneously. Defendant will arrange for a videotape of the examination.

15. The undersigned is requesting the court's assistance with regard to compelling the IME of Plaintiff along with dates for same to occur.

**Rule 7.1 A. 3. Certification of Pre-Filing Conference**

Counsel for Defendant conferred with Counsel for Plaintiff by telephone and by e-mail; however, an agreement has not been reached.

WHEREFORE, Defendant requests that this Court enter an Order:

- a. providing a date and time for Plaintiff's IME to occur on November 9, 10, 11, 12 or 13, 2009;
- b. providing that the independent medical examination take place at 9:00 a.m. (on a date to be determined by the court) at the law firm of Burman, Critton, Luttier and Coleman, LLP. located at 303 Banyan Boulevard, Ste. 400, WPB, Fl. 33401 under the protocol set forth by Dr. Hall in his affidavit, by videotape and for such other and further relief as this court deems just and proper.
