Re: List of Decided Motions
***Giuffre v. Maxwell*, Case No. 15-cv-7433-LAP**

Dear Judge Preska:

Both Plaintiff Virginia Giuffre and Defendant Ghislaine Maxwell have asked for this Court's permission to file a List of Decided Motions under seal because the list contains information that is currently subject to the Sealing Order in this case. *See* Dkt. 132 and 133.

"It is the clear law of this Circuit that civil docket sheets 'enjoy a presumption of openness and that the public and the media possess a qualified First Amendment right to inspect them.'" *Bernstein v. Bernstein Litowitz Berger & Grossmann LLP*, No. 14-CV-6867 (VEC), 2016 WL 1071107, at *6 (S.D.N.Y. Mar. 18, 2016), *aff'd*, 814 F.3d 132 (2d Cir. 2016) (disclosing docket sheets after finding there are no "compelling private interests favoring sealing"). Where a presumption of the highest weight exists, "[t]he Court is required to order disclosure absent compelling reasons to deny access and *even then must employ the least restrictive possible means of doing so.*" *United States v. All Funds on Deposit at Wells Fargo Bank in San Francisco, California, in Account No. 7986104185*, 643 F. Supp. 2d 577, 585 (S.D.N.Y. 2009)(emphasis added).

Intervenors therefore respectfully request that the List of Decided Motions be filed publicly. It is unclear to Intervenors what information in the title of any decided motions could be properly sealed. However, if such information exists, a redacted version of the list or a version of

the list that replaces names with personal identifiers (*i.e.* John Doe #1) should be publicly filed pending the Court's ruling on whether this information should be unsealed.

Respectfully submitted,
