Hi team – the latest 3500 ([TW Production 6](#) and [NTW 3500 Production 7](#)) are organized and stamped on the shared. I know there will likely be additional 3500 to add today, and I will add those materials when I receive them. The current [index](#) is also attached for your reference. Thanks!

Because of the Daubert hearing tomorrow, we should get another production of 3500 out later today. Can you work on getting that organized, please? I expect we will have more notes from our meetings today.

Thanks,
